A Long Walk to Water

solidarity act & fundraiser

EDUCATE

We'll begin by reading [A Long Walk to Water](#) and [The Water Princess](#). We'll also spend time discussing the water crisis and how we can help.

DONATE

As we prepare for our walk, we'll collect loose change in buckets to be donated to One Million Wells. We'll also place collection buckets in area businesses.

CULTIVATE

We'll cultivate awareness and community participation by inviting friends and family to sponsor participants for \$10 each.
